

DISTRICT OF COLUMBIA

OFFICE OF THE STATE SUPERINTENDENT OF

**EDUCATION**

**Public Charter School Reopening Grant Fiscal Year 2022**

**NOTICE OF PRELIMINARY ALLOCATIONS**

**August 2021**

*(Updated: September 2021)*

*This document was updated in September 2021 to reflect the following changes:*

- *The allowable reimbursement period is now extended to June 30, 2022.*
- *The allocations are updated to reflect new school facilities opening for the 2021-22 school year. The per-facility award is adjusted to \$82,644.62. Please review the facility data listed in Appendix A and B.*

**Executive Summary:**

**The Office of the State Superintendent of Education (OSSE) is releasing a \$10 million grant program for the District's public charter schools to provide support with facilities expenses related to the return of students to classrooms for in-person instruction for the 2021-22 school year.**

This is a formula grant with awards available to each public charter local educational agency (LEA) based on the number of facilities in operation for the 2021-22 school year. Based on the preliminary allocations, each charter LEA will be awarded **\$82,644.62** per facility.

Please note that the allocations in this document are preliminary. Final allocations will be based on approved applications.

If you have any questions, please send an email to [osse.charterreopen@dc.gov](mailto:osse.charterreopen@dc.gov).

**Purpose of Grant:**

The purpose of the Public Charter School Reopening Facilities Grant (PCSRFG) is to provide charter LEAs with funds for facilities-related expenses to address the impact coronavirus (COVID-19) has had on the LEAs' ability to provide in-person instruction for the 2021-22 school year.

**Formula:**

Each public charter LEA will be awarded a base award amount for each of the LEA's facilities that will be open in the 2021-22 school year.

If more than one LEA is co-located in one facility, all the LEAs will each receive the base award for operating within that facility. If a single LEA has multiple schools in one facility, the LEA will only receive one base award amount for that facility.

The base award amount will be finalized based on the number of LEAs that have approved grant applications for this grant. The preliminary allocations are based on 121 facilities, with \$82,644.62 awarded per facility.

**Additional Requirements:**

- The public charter school must be in operation in the 2021-22 school year.

**Allowable Costs:**

- Expenditures allowed under this grant program must be facilities-related expenditures for the safe reopening of the school for in-person learning. Expenditures can include, but is not limited to: facilities staff, maintenance, furniture, equipment upgrades, and other facilities-related professional services.
- Examples of expenditures: professional cleaning services, additional facilities staff, equipment to set up outdoor classrooms, additional furniture to improve social distancing, HVAC and other systems upgrades,

**Funding Source:**

Federal Coronavirus State Fiscal Recovery Fund

**Allowable Reimbursement Period**

May 1, 2021 – June 30, 2022
